

BioEnzyme Toilet & Bathroom Cleaner

DESCRIPTION & BENEFITS

BioEnzyme Toilet & Bathroom Cleaner is powered by natural multi-enzyme technology with biodegradable surfactants. A completely natural alternative which is; biodegradable, non-bacterial, non-hazardous, non-toxic, non-corrosive, non-flammable. With a higher concentration of enzymes compared with competitors, **BioEnzyme Toilet & Bathroom Cleaner** contains a soap-free multi-enzyme formula designed to effectively remove odours, lime, soap scum and other deposits from porcelain and other surfaces. Replaces the need of using bleach in a washroom and bathroom environment. It is also formulated to act as a urinal cleaner and deodoriser. This heavy duty descaler also works as a sanitiser, killing germs and bacteria in its track. Easy to use, ready to use and all natural.

- ✓ Safely removes hard water and calcium deposits from all surfaces
- ✓ Eliminates odours by destroying the source of the problem
- ✓ No bleach or chlorine
- ✓ Long-lasting performance
- ✓ Removes Biofilm that bacteria feed on
- ✓ Urinal cleaner and deodoriser
- ✓ Can be used in drains, porta-loos, camp sites, waterless and flushing toilets
- ✓ Broad spectrum of enzymes

DIRECTIONS FOR USE

Ready to use. Shake well before use. Spray liberally on toilets, urinals and affected areas. Agitate surface with brush and allow 5 minutes for product to work. Wipe surface or flush clean. It is recommended you spray surface again after flushing for even better results.

Urinals: Spray the surface to be cleaned, let the product stand for 5-10 minutes, this will allow it to work on the urine and uric crystals. Use a brush to scrub off old build-up. Once all the old build-up has been removed, use as a spray and wipe to maintain cleanliness of the surface.

Drains: Use 200mL per application. Pour into drains to remove odour. If there are multiple drains, repeat application in each.

Code No 894

ENVIRONMENTAL ASPECTS

- ✓ Biodegradable Surfactants
- ✓ No phosphate, bleach or chlorine
- ✓ Highly Economical
- ✓ Completely natural ingredients
- ✓ Enzyme technology
- ✓ Septic tank friendly

PRODUCT AVAILABILITY

This product is available in 5L and 750mL.
