A copy of the directions for use and Safety Data Sheet (SDS) will be provided with this declaration. Please note that this declaration is subject to the following conditions:

- Any change in the formulation of the product(s) will render this declaration invalid.
- Any change in the instruction for use of the product(s) will render this declaration invalid.
- Any incorrect and/or unintended use of the product(s) will render this declaration invalid.

This declaration is signed by the Managing Director. We declare that our product(s), when used in accordance with the most recent use and handling directions:

- Is fit for the purpose for which it is to be used
- Will not contaminate the handling of food products
- Do not compromise the safety of the food during the cleaning, sanitising, and maintenance of the food premises and equipment within the premises

We are committed to ensuring the quality and effectiveness of our products and their safe use in food handling establishments. Please do not hesitate to contact us if you have any questions or concerns.

Sincerely,

Daniel Farhart
